Vendor: Cisco

Exam Code: 700-302

Exam Name: Advanced Borderless Network Architecture Field Engineer Exam

Version: DEMO

QUESTION 1
Which two features are appropriate in describing a cisco cloud intelligent network?

A. provides solely private cloud solutions to customers
B. integrates the network with the Unified Data Center
C. provides single-tiered service level agreements
D. connects data centers to better share and balance resources
E. is not an effective solution to cater to the growing demands of the movement to loud-based services

Answer: BD

QUESTION 2
Which two choices describe the business benefits of Borderless networks for end users?

A. Budget constraints
B. Privacy and security
C. Compliance and policy
D. Bandwidth costs
E. Better video quality

Answer: BC

QUESTION 3
Which of these choices touches on the data flows that are involved with management applications of the cisco energywise architecture?

A. monitoring power
B. controlling power
C. protocol operation
D. Cisco Prime LMS.

Answer: D

QUESTION 4
Which pillar of cisco application experience helps in application survivability,applicationadaptability,and virtualization or cloud enablement?

A. visibility and control
B. acceleration and optimization
C. network and application agility
D. high performance and security

Answer: C

QUESTION 5
What is the first step in implementing cisco energywise ?

A. Show cost savings.
B. Reduce consumption by optimizing power delivery policies.

C. Measure how much power is being consumed by each device on the network.
D. Analyze data to make decisions on cost-saving policy actions.

Answer: C

QUESTION 6
Which two statements about cisco cloud web security are true ?

A. It provides unmatched cloud-based web security and control only to very small-sized organizations.
B. It extends web security to users on the go with the cisco anyconnect secure mobility client.
C. It is powered by cisco security intelligence operations, a cloud-based service.
D. It can only be integrated with cisco switches.

Answer: BC

QUESTION 7
What is the purpose of a cisco borderless network ?

A. promotes energy efficiency in data centers
B. connects anyone, anywhere, on any device
C. allows people to communicate on any device within the parameters of their networks
D. allows people to keep in touch with family members all around the world

Answer: B

QUESTION 8
Which statement describes the cloud security feature of the cisco cloud intelligent network?

A. The cloud intelligent network can be used to expand or scale up "on demand" in case of a surge in network demand.
B. The cloud intelligent network ensures that only authentic users and devices get access to information based on their roles and responsibility in an organization.
C. The cloud intelligent network guarantees a better user experience by cutting down latency,providing better application performance and optimization.
D. In Cloud Intelligent Network, you can manage a network in an easy manner through centralized monitoring.

Answer: B

QUESTION 9
Which two statements about the cisco energywise domain are ture ?

A. Cisco energywise domains have relationships with other networking infrastructure administrative groupings,such as routing protocol domains or virtual trunking protocol domains.
B. Cisco energywisedomain device consists of only PoE endpoints.
C. Cisco energywise domain membersshare neighbor relationships with each other.
D. The cisco energywise domain is a multiple unit of energy management for customers.
E. The cisco energywise domain is an administrative grouping of devices for the purpose of power monitoring and control.

Answer: CE

QUESTION 10
Which two statement about cisco cloud intelligent network are ture ?

A. It is extremely vulnerable to web-based malware.
B. It allows simplified management of the network through centralized monitoring.
C. It enables users to access their home network from their enterprise network.
D. It integrates the network with the unified data center delivering a powerful user experience.
E. It provides single level service level agreements to customers.

Answer: BD

Ensurepass.com Members Features:

1. Verified Answers researched by industry experts.
2. Q&As are downloadable in PDF and VCE format.
3. 98% success Guarantee and **Money Back** Guarantee.
4. Free updates for **180** Days.
